

# Lesson 3 animation

Thursday, September 15, 2016 7:27 AM

Learn how to make animation of scratch

## **Couse Covered:**

- + loops!
- + events!
- + parallelism!
- + control!
- + broadcast!
- + scripts!
- + presentation mode!
- + bitmap!
- + vector!
- + animation!
- + gallery walk!

## **Home work: music video:**

1. Go over slides and scratch demo for lesson 3
2. Completed the music video, and make it good or make your own music video
3. Share to the MLCCC2016 scratch studio <https://scratch.mit.edu/studios/3018337/>
